Greenleaf Home Essentials

Marketing Plan, Financial Year 2026-27 (April 2026 to March 2027)

PRACTICE DATA - Greenleaf Home Essentials is a fictional company. All figures are invented for classroom use.

1. Summary

The marketing team aims to return Greenleaf Home Essentials to growth in FY 2026-27. The plan relies mainly on paid social media, influencer partnerships and a festive sales calendar to bring in new customers, supported by email and WhatsApp campaigns to existing customers. The total budget is 150 lakh, slightly below the 165 lakh spent in FY 2025-26.

2. Objectives

Objective	FY 2025-26 actual	FY 2026-27 target
Revenue (INR lakh)	1,180	1,350
Revenue growth	-5.6%	+14.4%
New customers acquired	Not reported	18,000
Repeat-customer share of orders	31%	38%
Return on ad spend (revenue per rupee of marketing spend)	Not reported	5.0
Marketing spend as % of revenue	14.0%	11.1%

3. Target Audience

Segment	Description	Share of budg
Metro women, 25 to 40	Setting up or upgrading a home in the largest cities; active on Instagram and YouTube	55%
Tier-2 city households	Families in large tier-2 cities buying kitchen and storage products	25%
Young couples and first-time home buyers	Furnishing a first flat; value-conscious	15%
Existing customers	Past buyers reached by email and WhatsApp	5%

4. Budget by Channel

The total marketing budget for FY 2026-27 is 150 lakh. The table also shows what was spent in FY 2025-26.

Channel (INR lakh)	FY 2025-26 actual	FY 2026-27 budget	Share of budget
Social media advertising	70	60	40%
Influencer partnerships	20	30	20%
Festive discounts and offers	30	25	17%
Search advertising	25	20	13%
Content and SEO	8	10	7%
Email and WhatsApp campaigns	2	5	3%
Other (events, samples)	10	0	0%
Total	**165**	**150**	**100%**

This budget covers marketing only. Delivery, packaging and customer support budgets are managed by the operations team and are not part of this plan.

Budget by quarter

Quarter	Budget (INR lakh)	Share
Q1 (Apr-Jun)	30	20%
Q2 (Jul-Sep)	35	23%
Q3 (Oct-Dec)	50	33%
Q4 (Jan-Mar)	35	23%
Total	**150**	**100%**

5. Channel Targets

Each channel has a target for new customers and for revenue attributed to it. The overall target of 5.0 revenue per rupee of spend means 150 lakh of spend should generate 750 lakh of attributed revenue.

Channel	Budget (INR lakh)	New customers	Cost per new customer (INR)	Attributed revenue (INR lakh)
Social media advertising	60	8,000	750	270
Influencer partnerships	30	3,500	857	120
Search advertising	20	3,000	667	110
Festive discounts and offers	25	2,200	1,136	125
Content and SEO	10	1,000	1,000	40
Email and WhatsApp	5	300	1,667	85
Total	**150**	**18,000**	**833**	**750**

Cost per new customer is the channel budget divided by the new-customer target.

6. Monthly Revenue Targets

Month	Target (INR lakh)	Month	Target (INR lakh)
April 2026	100	October 2026	140
May 2026	100	November 2026	130
June 2026	100	December 2026	100
July 2026	105	January 2027	120
August 2026	105	February 2027	120
September 2026	105	March 2027	125
Q1 and Q2 total	**615**	**Q3 and Q4 total**	**735**

The twelve monthly targets add up to the annual revenue target of 1,350 lakh.

7. Campaign Calendar

Period	Campaign	Main channels	Key offer
Apr-Jun 2026	Summer kitchen refresh	Social media, search	Free gift on kitchen orders above INR 3,000
Jul-Sep 2026	Monsoon home makeover	Influencers, social media	Up to 15% off storage products
Oct-Nov 2026	Diwali festive sale	All channels, festive discounts	Up to 20% off selected categories
Dec 2026	Year-end clearance	Email, WhatsApp, search	Clearance of slow-moving stock
Jan-Mar 2027	New Year, new home	Social media, email	Bundle offers on bedding and decor

8. Key Activities

• Twelve influencer partnerships focused on kitchen and storage products, with two new videos per month.

• Retargeting advertisements for website visitors who did not complete a purchase.

• Festive discounts of up to 20% on selected categories during Diwali.

• A monthly email newsletter with new arrivals and offers, and WhatsApp offers to past customers.

• A loyalty points scheme to be designed during Q2 and launched before Diwali.

• Search engine optimisation of 150 product pages and 24 blog articles on home organisation.

• Social media content plan of 5 posts and 3 short videos per week.

9. Brand Messaging

Three messages will be used across all campaigns:

- **Beautiful everyday products:** design-led kitchen and home items at fair prices.
- **Fast delivery in 3 to 4 days:** a headline promise on all paid advertising and the website homepage.
- **Easy returns:** a simple returns process promoted at checkout and in emails.

10. Competitor Landscape

Competitor (anonymised)	Positioning	Price index (Greenleaf = 100)	Typical delivery pro
Competitor A (large marketplace)	Wide range, deep discounts	92	2 to 3 days
Competitor B (kitchen specialist)	Premium kitchenware	110	3 to 4 days
Competitor C (home decor brand)	Design-led decor and bedding	105	4 to 5 days
Greenleaf Home Essentials	Affordable, design-led home range	100	3 to 4 days (promised)

Competitor information is from the marketing team's desk research on public websites and has not been verified.

11. Measuring Results

Campaign results will be reviewed monthly using website traffic, orders attributed to each campaign, revenue and cost per new customer. The team will report progress against the 5.0 return-on-ad-spend target. The method for attributing orders to campaigns has not yet been finalised.

Measure	Reviewed	Owner
Revenue against monthly target	Monthly	Head of marketing
New customers and cost per new customer	Monthly	Performance marketing manager
Return on ad spend by channel	Monthly	Performance marketing manager
Repeat-customer share	Quarterly	CRM manager
Website conversion rate	Monthly	Digital manager

12. Team and Responsibilities

Role	Responsibility
Head of marketing	Overall plan, budget and reporting to management
Performance marketing manager	Paid social, search and retargeting campaigns
Influencer and content manager	Influencer partnerships, social content, SEO
CRM manager	Email, WhatsApp and loyalty scheme

13. Assumptions and Risks

Assumption or risk	Planned response
Increased advertising will raise order volumes	Monthly review; move budget to best-performing channels
Existing customers will return when they receive offers	Email and WhatsApp offers; loyalty scheme

Assumption or risk	Planned response
Competitor advertising may reduce the effect of paid campaigns	Flexible budget in Q3
Advertising costs on social media may keep rising	Shift part of the budget to influencers and SEO
No customer research was carried out while preparing this plan	None planned
